

Honduras develops energy storage project

Overview

The National Electric Power Company (ENEE) has selected a Chinese-Honduran consortium to design, supply, install, test, and commission a grid-connected battery energy storage system (BESS) at the Amarateca substation in the department of Francisco Morazán.

Honduras develops energy storage project

Adjudican en Honduras un proyecto BESS de 75 MW / 300 MWh

La Empresa Nacional de Energía Eléctrica ha seleccionado en una licitación internacional a un consorcio chino-hondureño para el estudio, diseño, suministro, instalación, ...

Latest Battery Energy Storage System (BESS) Project & Contract ...

Search all the recent tender/contract awards in battery energy storage system (BESS) projects in Honduras with our comprehensive online database.

Honduras launches tender for a battery energy storage system

Honduras announces a tender for the installation of an energy storage system with batteries (BESS) at the Amarateca substation, aiming to improve electrical supply stability.
