

# **Poland Economic Development Energy Storage Project**

## Overview

---

The Polish National Fund for Environmental Protection and Water Management (NFOŚiGW) opened on April 4 a call for applications to co-finance energy storage facilities. The much-awaited subsidy scheme aims to improve the stability of the national power grid and the country's energy security.

## Poland Economic Development Energy Storage Project

---

### Poland's dynamic development in the field of solar energy: 1,500

Poland's impressive progress in solar energy technology. planned 19 GW on new solar projects show the growth potential. 1,500 construction projects mark a milestone ...

### [Greenvolt-BYD 1.6GWh BESS partnership for Poland](#)

The group already has a total pipeline capacity of 2.6 GW. Greenvolt has a longstanding presence in Poland, with nearly 18 years in the utility-scale sector through what ...
