

# **Vietnam s annual production capacity of outdoor communication battery cabinets**

## Overview

---

Who is the leading battery manufacturer in Vietnam?

Pinaco is another prominent player in the Vietnam battery market, with an established footprint and a particular focus on lead-acid batteries. The company produces a diverse range of batteries and has maintained strong distribution networks, enabling it to reach a wide customer base across various industries.

Does Việt Nam have a battery supply chain?

However, despite its potential and existing favourable policies, Việt Nam's battery supply chain is still in its early stages and faces many challenges. These include limited production capacity, increasing international competition, and the need for more refined supporting policies.

Who is CSB Battery Vietnam?

Established in 1986, the company has a long history and extensive experience in the battery industry. Strategically located in Nhon Trach 3 Industrial Park, Dong Nai, Vietnam, CSB Battery Vietnam offers a wide range of VRLA batteries for applications such as telecommunications, UPS systems, solar power, and emergency lighting.

Is JP Battery Vietnam a good brand?

JP Battery Vietnam, operating under the Pinaco brand, offers a diverse range of batteries, including dry-charged and maintenance-free batteries. The brand has gained a reputation for its consistent quality and has a considerable following on social platforms.
